Thus, no provision(s) for such offsetting changes will need to be made in forecasting costs.
- 3. A written detailed narrative explanation of all assumptions underlying the information and data contained in this addendum and five (5) copies of all workpapers developed in completing the addendum are to be filed with the Commission's Chief Clerk concurrent with the filing of the franchise application.

  - (e) Line 15 should equal Line 5 less Line 14.
  - (f) Line 30 should equal Line 15 less Line 20 plus Line 29.
